

## Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts so as to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design ideas as proven in their product development. They enjoy offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of workers likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills together with their knowledge of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their customers' cleaning machinery working and ready everyday is top priority. The company's top of the line technology delivers reliable equipment which eventually lessens your cleaning cost. The product, the price and the service all work together in order to make them an industry leader.
